**SUMMARY RECOMMENDATION**

Approve ordinance prohibiting street parking on the north side of the 100 block of Skyline View Drive and the west side of the 200 thru 400 blocks of Skyline View Drive.

**EXECUTIVE SUMMARY**

Due to the narrow width of Skyline View Drive, it is in the best interest of public safety to prohibit street parking at all times on the north side of the 100 block and the west side of the 200 thru 400 blocks of Skyline View Drive. Parking will remain permissible on the opposite sides of the road.

**BACKGROUND**

Skyline View Drive is a narrow road that is only thirty (30) feet wide along the 100 block and twenty-six (26) feet wide along the 200 thru 400 blocks. There have also been many complaints about parking along Skyline View Drive and the police department has confirmed that there are issues along the road, when vehicles are parked on both sides of the street. To help reduce conflicts and provide better sight distance along the curve on Skyline View Drive, parking should be prohibited on the north side of the 100 block and west side of the 200 thru 400 blocks of Skyline View Drive.

**DEPARTMENT REVIEW**

Public Works, Police

**RECOMMENDATION**

Staff recommends approval.
