Dear Mr. Reis:

We appreciate your selection of ZOLL® products for City of Collinsville Fire Department. This letter serves as confirmation that ZOLL® Medical Corporation at 269 Mill Road in Chelmsford, Massachusetts, is the sole manufacturer and source of X Series® Defibrillators for the EMS Market. ZOLL® or Jason Fenton, EMS Senior Account Executive, will not sell an X Series® Defibrillator to City of Collinsville Fire Department through any vendor or dealer.

City of Collinsville Fire Department is a member of National Purchasing Partners (“NPP”) and is therefore eligible to purchase from ZOLL’s NPP contract. City of Collinsville Fire Department’s NPP membership ID number is M-5709230. The NPP contract was a competitively bid contract awarded in 2020, thus eliminating the need for an individual agency to go out to bid. NPP features competitive prices on ZOLL defibrillators and related accessories, with pricing held firm through 06/08/2026, as well as free freight. The award document is attached to this letter. Additional contract documents are available upon request.
