**OVERVIEW**

Staff recommends approval of the subject ordinance authorizing an agreement between the City of Collinsville, Great Rivers & Routes Tourism Bureau, and Your-Type 3D Event Letters for the creation and installation of two interactive art sculptures.

**EXECUTIVE SUMMARY**

In 2025 the City was awarded a \$100,000 grant from Great Rivers and Routes for the creation of two large-scale, interactive art sculptures. One piece portrays the Brooks Catsup Bottle with large tomatoes and the other an oversized horseradish root. Each sculpture will have a background panel with decorative elements on the front and interpretive content on the back.

The City will be responsible for paying Your-Type 3D for the sculptures, totaling \$100,000, and will be reimbursed by Great Rivers & Routes once the project is completed and all payments made by the City.

**STAFF RECOMMENDATION**
