### **SUMMARY RECOMMENDATION**

Approve an ordinance authorizing the City Manager to execute amendment no. 1 to the license agreement for use of City of Collinsville right of way, consenting to the assignment of a license agreement from Parta Networks, LLC to Joink LLC.

### **EXECUTIVE SUMMARY**

The Unit 10 School District utilizes a fiber network that is currently owned and maintained by Parta Networks, LLC (Parta). Joink, LLC (Joink) is purchasing this network purchasing the network from Parta and will be maintaining the fiber network.

### **BACKGROUND**

The City entered into a right of way agreement with Parta on May 12, 2020, under Ordinance 20-32, which allowed the school to have Parta to install a fiber network for the school district's use. This amendment allows the assignment of the right of way agreement and network from Parta to Joink, according to the terms of the right of way agreement that Parta currently has with the City.
