Please keep your Manual current by inserting the new pages and destroying outdated pages.

SECTION 1.02 BACKGROUND

The City of Collinsville has experienced considerable changes and growth since its coal mining days at the turn of the century. Collinsville is a growing community in the St. Louis metropolitan area. Collinsville is a haven for people who have grown weary of the hustle and bustle of urban living and desire a small-town atmosphere. Rolling hills, large homes, and shaded streets add beauty and a sense of the past. Collinsville's Comprehensive Plan for growth has a goal of improving the community while protecting property values and quality of life. The City of Collinsville boasts a growing hospitality district with hotel accommodations and the Gateway Center, Southwestern Illinois' premiere convention and visitor's center.

The City is also home to the District 11 Illinois State Police and Illinois Department of Transportation Headquarters, and Fairmount Park Racetrack. The City operates under the Council-Manager form of government that consists of a City Council comprised of a Mayor and four Council members elected at-large, and a City Manager appointed by the Council. The term of the Mayor and Council is four years.

The Mayor serves as chair of the Council and as Liquor Commissioner. The City Manager serves as chief administrator of the City, under the direction of the Council. Under this form of government, the Mayor, appoints the City Clerk, City Treasurer, City Attorney, and Corporate Counsel with approval by the City Council, while the City Manager appoints all other positions.

SECTION 1.03 PURPOSE AND MISSION STATEMENT

The purpose of the City of Collinsville Personnel Policy Manual is to establish a sound human resources program based on policies equitable to the employees, employer, and taxpayers. Systematic application of policies results in outstanding employee performance and morale.

The mission of the City of Collinsville is to provide superior municipal services through an engaged workforce while collaborating with the community and being responsible stewards of the public tax dollars resulting in satisfied customers.

SECTION 1.04 APPLICATION AND SCOPE

This document is the City of Collinsville Personnel Policy Manual. This Manual assists employees in performing their duties and responsibilities. It does not cover every aspect of City operations. The general administrative and procedural policies of the City of Collinsville Personnel Policy Manual apply to all City employees, unless stated otherwise. The benefit policies of the City of Collinsville Personnel Policy Manual apply to all regular, full-time employees, unless stated otherwise. The City Manager shall decide all disputes or questions relating to the determination of whether a policy is administrative and/or procedural in nature. Additionally, the various City departments may establish working regulations and operating procedures to supplement the policies set forth in this Manual.

Except for employees under the jurisdiction of the Board of Fire and Police Commission or the Civil Service and rules governing those bodies and those employees covered by an approved collective bargaining agreement or other approved employment agreement with specific terms altering the at-will nature of the employment relationship, employment with the City of Collinsville is “at will”. This means that both the employee and the City have the right to terminate the employment relationship at any time, for any reason not prohibited by law, or no reason, with or without notice. The at-will employment relationship cannot be modified, except by ordinance or by a duly authorized and executed collective bargaining or other written employment agreement. This Manual, and the policies it contains, does not form a contract of employment either expressed or implied.

As such, the City of Collinsville Personnel Policy Manual may be varied from, amended, supplemented, or discontinued at any time, with or without notice. To the extent any specific provision in this Manual

differs from the provisions of an applicable collective bargaining agreement, the terms of the collective bargaining agreement will control for employees covered by that collective bargaining agreement. This Manual supersedes all other previous personnel rules, regulations, policies, and procedures, written or oral. In the event that any provisions of this Manual conflict with the laws of the State of Illinois or the United States Government, the applicable state or federal provision(s) shall take precedence. The term “Manual” shall mean this handbook and all of its appendices collectively.

SECTION 1.05 SUBJECT TO CHANGE

The policies, procedures, and practices in the City of Collinsville Personnel Policy Manual are subject to modification and further development as determined by the City Council, as well as changes in state and federal law. The City Council approves revisions to the policies outlined in this Manual. The City Manager must approve any procedural changes in this Manual. The City Manager shall determine policy that requires City Council review and policy relative to administrative procedural matters.

SECTION 1.06 DEPARTMENTS

The City is organized into the following departments:

- Administration
- Finance
- Community Development
- Fire
- Police
- Public Works

SECTION 1.07 ASSIGNMENT AND PERFORMANCE OF DUTIES

All City employees are subject to the general rules and regulations of the City as outlined in this Manual and in other City procedures. Nothing in this Manual precludes, or shall be construed as precluding, the establishment of written departmental rules and regulations setting forth internal departmental operational policies and procedures. If a conflict occurs between the policies of the City and the rules of any department, the policy or procedure as identified in this Manual shall govern. This Manual cannot be all-inclusive of other policies or regulations that may have a relationship in some manner to employment conditions and/or obligations.

Employees shall perform the duties assigned to them by their immediate Supervisor or Department Head, or as directed by the City Manager or his/her designated representative. The City Manager shall decide all disputes or questions relating to the respective powers, duties, or obligations of all

CHAPTER 2 EMPLOYMENT TERMS

SECTION 2.01 DISCRIMINATION, HARASSMENT, AND THE INTERACTIVE PROCESS

POLICY

Discrimination

The City is committed to the principle of recruiting and selecting employees based on their ability to perform the functions of the position available and in accordance with the City's policy of equal opportunity. No unlawful discrimination shall be tolerated due to race, sex, pregnancy, pregnancy-related disability, national origin, religion, disabilities, age, marital status, veteran status, political affiliation, sexual orientation (including gender identity), or any other basis prohibited by applicable federal, state, or local fair employment laws or regulations, or the Illinois Human Rights Act.

The City of Collinsville assures Equal Employment Opportunity in all of its employment practices including those pertaining to recruitment, hiring, placement, compensation, transfers, promotions, practices, evaluations, benefits, training, layoff recall, discipline, demotions, and terminations. These employment practices are administered in accordance with the law as set forth in all applicable laws and regulations.

Harassment

Unlawful harassment in the workplace is prohibited. Harassment is any unwelcome conduct, whether verbal, graphic, or physical based on a person's protected characteristic, including, but not limited to, race, sex, pregnancy, pregnancy-related disability, national origin, religion, disabilities, age, marital status, veteran status, political affiliation, sexual orientation (including gender identity), and any other characteristic protected by applicable law. The City will not tolerate harassment of employees that interferes with an individual's work performance or creates a hostile, intimidating, or offensive work environment.

No employee shall explicitly or implicitly ridicule, mock, deride, or belittle any other employee or conduct himself/herself in a manner that has the purpose or effect of interfering with an employee's work performance or creating an intimidating, hostile, or offensive working environment.

Employees shall not make offensive or derogatory comments based upon sex, pregnancy, pregnancy-related disability, sexual orientation (including gender identity), race, religious practices, physical or mental disability, citizenship status, national origin, age, color, or any other characteristic protected by applicable law, either directly or indirectly, to another employee. Retaliation against an individual for reporting or complaining about acts of harassing conduct is prohibited.

Under Illinois law, sexual harassment is any “unwelcome or repeated sexual advances or requests for sexual favors, and conduct of a sexual nature when (1) submission to such conduct is made, either explicitly or implicitly a term or condition of an individual’s employment, (2) submission to, or rejection of, such conduct is used as the basis for employment decisions affecting such individual, or (3) such conduct has the purpose or effect of substantially interfering with an individual’s work performance or creating an intimidating, hostile, or offensive working environment”.

Interactive Process (Americans with Disabilities Act)

The City also makes reasonable accommodations for employees with disabilities. The City engages in the interactive process with employees who have disabilities to determine if there is a reasonable accommodation that, if granted, would allow the employee to perform the essential functions of the employee’s job.

Employees who violate this policy are subject to appropriate discipline. If an investigation results in a finding that this policy has been violated, the mandatory minimum discipline is a written reprimand. The discipline for very serious or repeat violations is termination of employment. Persons who violate this policy may also be subject to civil damages or criminal penalties.

PROCEDURE

Discrimination

Employees who believe they have been discriminated against, harassed, or retaliated against in violation of this policy may direct their complaint to any of the following: Office of Human Resources at (618) 346-5200 ext. 1131; their supervisor; the City Manager or the members of the City Council.

Harassment

If an employee believes that he or she has been subject to sexual or other harassment or any unwelcome sexual attention, he or she may address the situation directly and immediately to the harasser, if possible. If the inappropriate conduct does not cease, or if the employee is unable to or uncomfortable with addressing the alleged harasser directly, he or she should report the incident to his or her own supervisor, or to the Human Resources Coordinator. It is helpful, but not required, to provide a written record of the date, time and nature of the incident(s) and the names of any witnesses. Sexual harassment can occur between men and women, or between members of the same sex. This behavior is unacceptable in the workplace itself and in other work-related settings such as meetings, hearings, and City-related or sponsored social events. In addition, sexual and other forms of unlawful harassment can occur in interactions between City employees and persons not employed by the City with whom employees must come into contact in connection with their employment. The City will take appropriate action to address harassment from those not employed by the City when such harassment occurs in connection with the employee’s performance of duties for the City.

Prohibited acts of sexual harassment can take a variety of forms ranging from subtle pressure for sexual activity or contact, to physical contact. At times, the offender may be unaware that his or her conduct is offensive or harassing to others. Sexual harassment may include, but is not limited to:

- Persistent or repeated unwelcome flirting, pressure for dates, sexual comments, explicit sexual propositions;
- Sexually suggestive jokes, gestures or sounds directed toward another, or sexually oriented or degrading comments about another person;
- Foul or obscene language;
- Physical contact such as patting, pinching, or brushing against another person's body;
- Preferential treatment of an employee, or a promise of preferential treatment to an employee, in exchange for dates or sexual conduct; or the denial, or threat of denial, of employment, benefits, or advancement for refusal to consent to sexual advances; and
- The open display or distribution of sexually oriented pictures, posters, calendars, printed jokes, or other material offensive to others.

Supervisors must deal expeditiously and fairly with allegations of sexual harassment within their departments whether or not there has been a written or formal complaint. They must:

- Take all complaints or concerns of alleged or possible harassment or discrimination seriously no matter how minor or who is involved.
- Ensure that harassment or inappropriate sexually oriented conduct is immediately reported to HR so that a prompt investigation can occur.
- Take any appropriate action to prevent retaliation or prohibited conduct from recurring during and after any investigations or complaints.
- Managers and supervisors who knowingly allow or tolerate sexual harassment or retaliation, including the failure to immediately report such misconduct to HR, are in violation of this policy and subject to discipline.

NOTWITHSTANDING THE FOREGOING, AN EMPLOYEE MAY REPORT SUCH INCIDENTS TO ANY PERSON OCCUPYING A SUPERVISORY POSITION, INCLUDING, BUT NOT LIMITED TO THE CITY MANAGER.

Based upon the investigation and recommendation by the Office of Human Resources, the City Manager will review the information and will make a recommendation to the City Council as to the appropriate action to take to resolve the issue, if any. All reporting, investigation, and action taken is confidential, to the extent legally allowable.

Note that if any employee desires to report harassment and/or discrimination, the employee also has the option of contacting the Illinois Department of Human Rights at (217) 785-5100 or the Illinois Human Rights Commission at (217) 785-4350.

Remedies available through the Human Rights Department and Human Rights Commission in case of a valid substantial complaint may include, but are not limited to: (a) cease and desists orders; (b) hiring, reinstatement, promotion, back pay and employee benefits, actual damages, attorney's fees and costs, compliance reports, posting notices of compliance notices, and loss of public contracts.

To ensure the prompt and thorough investigation of a sexual harassment complaint, the complainant should provide as much of the following information as is possible:

- The name, department, and position of the person or persons allegedly causing the harassment.
- A description of the incident(s), including the date(s), location(s) and the presence of any witnesses.
- The effect of the incident(s) on the complainant's ability to perform his or her job, or on other terms or conditions of his or her employment.
- The names of other individuals who might have been subject to the same or similar harassment.
- What, if any, steps the complainant has taken to try to stop the harassment.
- Any other information the complainant believes to be relevant to the harassment complaint.

Interactive Process (Americans with Disability Act)

If an employee has a disability (as defined in the Americans with Disabilities Act) and desires an accommodation, the employee should contact Human Resources.

SECTION 2.02 RECRUITMENT AND SELECTION

POLICY

The Civil Service Commission (CSC) is responsible for examination, appointment, and discharge of all civil service positions within the City of Collinsville, except as modified by a collective bargaining agreement, as permitted by law.

The Board of Fire and Police Commissioners is responsible for examination, appointment, and discharge of all sworn police officer and firefighter positions within the City of Collinsville, except as modified by a collective bargaining agreement, as permitted by law.

Other City positions will be filled in accordance with applicable law. The City generally will post positions that become available.

SECTION 2.03 NEPOTISM

POLICY

Employment and personnel decisions shall not be made based on nepotism, or under circumstances that reasonably create the appearance of nepotism to the public. The City discourages the hiring of more than one member of a family, or having more than one relative of the same family in its employ at any time.

A “relative” or “family member” shall mean husband, wife, children, father, mother, father-in-law, mother-in-law, brother, sister, brother-in-law, sister-in-law, grandchild, grandfather, or grandmother. “Employment” does not include uncompensated appointed service on City commissions, committees, boards, or volunteers.

This policy does not apply to employees whose hiring precedes the candidacy and election of a family member to the City Council. This policy also does not apply to existing instances of employees who were hired prior to the adoption of the Manual and have other family members employed by the City.

The following employment practices shall be prohibited:

- Hiring relatives of elected City officials, Fire and Police Commission Board members, or the City Manager;
- Supervising an employee by a family member who is also employed by the City.

Employees may supervise relatives who are hired for seasonal or temporary positions.

SECTION 2.04 PHYSICAL EXAMINATIONS AND MEDICAL TESTS

POLICY

After a conditional job offer has been made, an applicant will submit to a physical examination and drug screen provided by a physician or physicians selected and paid for by the City. When the examination appointment is made, a copy of the job description shall be sent to the physician. Current employees will be required to submit to a physical examination when, in the City’s judgment, job-related business necessity require such an examination. Included with the applicant’s physical examination is a mandatory drug test in accordance with the City’s Drug and Alcohol Policy.

Certain Fire Department and Public Works Department employees' physical examinations shall be subject to the Respiratory Protection guidelines as established by the Illinois Department of Labor. Employment with the City is contingent upon the satisfactory outcome of said examinations. Additional physical examinations and/or medical tests may be required if the initial examination's findings dictate them. The initial physical examination and any additional physical examinations and/or medical tests shall be conducted by a physician or physicians designated by the City.

The City Manager and a Department Head may require an employee to undergo a physical or psychological examination or medical test at any time when job-related and consistent with business necessity.

PROCEDURE

Medical examination expenses shall be performed by a physician or physicians designated by the City, and at the City's expense. The Office of Human Resources schedules the medical appointment and if an appointment cannot be kept, it is the responsibility of the employee to notify HR and reschedule the appointment.

Employees entering certain jobs may be required to complete a successful job-related physical examination before starting work. Employment in these positions is conditional upon satisfactory completion of the medical evaluation, and candidates for these positions should be so advised. Currently, all records of medical examinations conducted under this policy are maintained in the Office of Human Resources for the duration of an individual's employment and in accordance with State and Federal requirements. The examining clinician is expected to review the results of the examination with each program participant and provide appropriate referral(s) for abnormal findings. Employees may obtain access to or a copy of medical records within fifteen (15) days of a request, without cost.

The purpose of the City’s compensation plan is to encourage the retention of well-qualified, dedicated employees and to insure the effective, efficient, and safe delivery of City services. The establishment of a competitive and fair compensation system, which enables employees to receive pay increases based on skill, ability, and contribution to the City’s success and service to our citizens, along with quality group insurance and state retirement programs, is designed to encourage employees to make long-term commitments for employment with the City of Collinsville. The City’s general intent is to budget adequate funding for the system so it may function as designed.

SECTION 3.03 PERFORMANCE APPRAISALS

POLICY

A program for evaluating the work performance of all employees in the City's service shall be maintained. The standards of performance recommended as a basis of such rating will have reference to the quality and quantity of work done, the manner in which the work is done, the conduct of employees and faithfulness to their duties and other characteristics which measure the value of the employee.

The purpose of these evaluations is to enable employees and supervisory personnel to work together to improve job performance and, therefore, the service provided to the citizens of the City. The job performance evaluation will be completed and rated by the evaluator. The employee will have the space provided and the right to comment on the rating. The employee, as well as all individuals involved in the rating process, will be required to sign and date the form. The City will make efforts to schedule performance appraisals approximately annually.

PROCEDURE

Each department shall prepare, on forms prescribed by the Office of Human Resources, records of the performance of each employee. Job performance evaluations for all personnel, including sworn and non-sworn personnel, will be done periodically in a manner established by this manual or by department policy. The City Manager may make exceptions to the performance evaluation procedure where appropriate.

SECTION 3.04 PROMOTIONS AND TRANSFERS

POLICY

The City may promote or transfer from within the City's workforce when it is in the best interests of the City to do so.

Promotions of sworn police officers and firefighters are governed by statutes and rules governing the activities of the Board of Fire and Police Commission and promotion of employees who are subject to

the jurisdiction of the Civil Service Commission shall be governed by statutes and rules governing the operation of that body.

All newly transferred or promoted personnel within the City shall be employed on an introductory status for a specific period (See "Probationary Period") from the date of transfer or promotion. When an employee transfers from one position to another position within the City, the transfer and rate of accumulation of vacation days, sick hours, and participation in a pension fund will be determined by the employee's initial date of full-time employment. Employees will not lose any accumulated benefits. The City may change an employee or a group of employees from one job to another in the best interests of operating efficiency and meeting objectives. A transfer may take place within a department or between departments.

PROCEDURE

Subject to the foregoing, Department Heads may promote or transfer eligible employees within their respective departments, except when the promotion creates an additional position, the Department Head shall first obtain approval by the City Manager.

An employee may be transferred to another department where such transfer shall not change the employee's pay, grade, or the date from which eligibility for consideration for a merit increase shall be counted.

When an employee is promoted to a position in a higher grade, the employee's salary will increase at least to the minimum salary of the new grade. If an employee is promoted to a position one grade higher, the increase will be at least the minimum salary of the new grade or the percentage difference between the old and new grades. If any employee is promoted to a position two or more grades higher, the increase will be at least the minimum or hiring salary of the new grade, or at least the percentage difference between the old and new grades, but not more than 10% percent more than the previous salary, without approval by the City Manager.

The timing of payment for the promotional increase shall be no later than the end of the first full pay period after the effective date of the promotion.

An employee will not be transferred to a new or revised job unless the job has been analyzed, described via a formal job description, evaluated by the Office of Human Resources, and approved in the City's budgeting procedure.

When laterally transferred, an employee will not receive an adjustment in pay. The employee will retain his/her current pay rate. A lateral transfer occurs when an employee either:

- Moves to a new department at the same base pay rate and classification
- Moves to a new department which has the same pay range as his/her old classification
- Moves within the same department to a new classification which has the same pay range as his/her old classification.

CHAPTER 4 EMPLOYMENT PRACTICES

SECTION 4.01 PROBATIONARY PERIOD

POLICY

All newly hired and promoted employees shall be subject to a “probationary” period in order to provide time in which new and promoted employees may be observed to determine their work performance and to orient the employee to his/her work demands and surroundings. A newly hired or promoted employee’s evaluation shall be conducted at the end of his/her probationary period and based on the completion of the appropriate training for the position and satisfactory adaptation and performance in the position. At the end of the probationary period, the employee’s Supervisor shall complete a performance appraisal. The length of the probationary period will be explained to the employee at the time of hire or promotion. Unless otherwise provided by an applicable collective bargaining agreement or other contractual obligation, employment both during and after the probationary period is on an at-will basis.

PROCEDURE

Supervisors are encouraged to provide regular feedback to employees concerning work performance and general suitability for City employment during the probationary period.

An employee who has satisfactorily completed the probationary period shall be informed in writing of the attainment of regular employee status. The supervisor shall conduct a written evaluation of each probationary employee at least once prior to completion of the probationary period.

In addition to this evaluation, the supervisor may conduct a written evaluation at any time there is a question concerning the quality of an employee's performance or general suitability for City employment.

Under appropriate circumstances or other substantial changes in job duties or completion of work or training cycles, the employee's probationary period may be extended with the approval of the department head. Consultation between the supervisor and Human Resources is encouraged.

Such an extension shall be for a specific period not to exceed three months.

Extension beyond three months, for a total period not to exceed six months, requires the written approval of the City Manager.

Normally, at least seven calendar days prior to the end of the probationary period, the supervisor shall provide the employee with a written notice outlining the reason(s) for the extension and the period of the extension. The notice shall specify the new date of completion of the probationary period.

SECTION 4.02 EMPLOYEE PERSONNEL FILES

POLICY

The City maintains an official personnel file on each employee, and each applicant for employment as prescribed by law, in the Office of Human Resources. An employee may inspect his/her own personnel file twice a year in accordance with the Illinois Personnel Records Review Act.

Employee personnel files and their contents are confidential and will not be made available to anyone, other than the employee, Human Resources, and those individuals in City management who have a need to know the information contained therein. Additionally, when legally compelled to provide information in an employee personnel file, such as in response to a valid subpoena, the City will comply with its legal obligations.

PROCEDURE

A change of personnel status may have an important effect upon employee benefits. Therefore, employees should notify the Office of Human Resources immediately of any change in the following:

- Legal name
- Home address or telephone number
- Marital status – name of spouse, date of birth (date of marriage/divorce if after date of hire)
- Number, names, and date(s) of birth of dependents
- Name, address and telephone number of the person to be notified in case of emergency
- Change of beneficiary
- Military or draft status
- Exemptions on the W-4 tax form

Each employee may review his/her own official personnel files by requesting an appointment with the Human Resources Coordinator during regular business hours 8:30 AM to 5:00 PM Monday through Friday. The Human Resources Coordinator will remain present during the time the file is reviewed, allowing sufficient inspection time commensurate with the volume of the file. The employee is permitted to take notes during the inspection. When requested by the employee, the City of Collinsville must provide copies of any document signed by the employee relating to the obtaining or holding of employment (i.e. performance evaluation or employment application).

If an employee disagrees with the information found in his/her file, removal or correction of the information may be agreed upon by his/her Supervisor, a representative of the Office of Human Resources and the employee. If agreement cannot be reached regarding the removal or correction of the employee's file(s), the employee shall be permitted to submit a written statement explaining his/her position. The statement shall become a permanent part of the employee's personnel file. Copies of documents may be provided at no expense to the employee.

SECTION 4.03 HOURS OF OPERATION AND WORK SCHEDULES

POLICY

In general, the City of Collinsville workweek begins at 12:00 AM on Saturday and ends at 11:59:59 PM on the following Friday. The normal workweek is a consecutive seven (7) day period. The normal workday is eight (8) hours. Full-time employees are generally scheduled for forty (40) hours of work during the workweek.

All City employees are expected to work the hours they are scheduled each week and to report for work promptly. Employees shall report promptly to their designated place of work at the designated starting time and shall devote their entire efforts during working hours to assigned duties. Excessive absenteeism, tardiness, or early departure may result in disciplinary action, up to and including immediate termination of employment.

PROCEDURE

All department offices shall remain open over the noon hour for the convenience of the public. The listed office hours apply primarily to work hours for full-time office personnel. However, Police, Fire, and Public Works Departments' work schedules vary in accordance with service requirements as determined by the Department Head. The City Manager may amend the normal work schedule of each employment position within the City.

SECTION 4.04 LUNCH AND BREAK PERIODS

POLICY

Lunch and break periods may vary by department. Therefore, times and locations for lunch break periods shall be at the discretion of the Supervisor. Offices and departments that maintain services during meal periods shall allow regular full-time employees an unpaid meal period at a time scheduled by the Supervisor.

Employees may be required to stay on his/her work premises during the meal period as determined by his/her Supervisor.

SECTION 4.05 OVERTIME/COMPENSATORY TIME

POLICY

For hourly employees, time and one-half (1.5) their regular hourly rate shall be paid for all overtime work (those in excess of forty (40) hours in a workweek) Overtime is considered time actually worked beyond forty (40) hours in any workweek.

Hourly employees may earn compensatory time in lieu of overtime pay.

Compensatory time earned is the same rate as overtime earned - time and one-half.

PROCEDURE

In the case of exempt salaried personnel, it is implicit in the nature of their position that time beyond the normal work schedule may often necessarily be spent on the job. While some recognition of this additional work may be made by the City Manager, or respective Department Head, from time to time, it will be entirely at his/her discretion and not of a completely remunerative nature.

For an employee to earn compensatory time, the employee must have worked at least forty (40) hours during the workweek (or the equivalent if the employee is on a schedule other than 40 hours per week). For each overtime occurrence, if an employee agrees to accumulate compensatory time instead of receiving overtime pay, he/she must receive consent to do so prior to accruing any compensatory time. As a benefit to its employees, the City does count approved paid leaves of absence such as absence due to a work-related injury, paid holiday, jury duty, paid vacation, or paid sick time as hours worked for the purpose of computing eligibility for overtime pay.

The maximum number of hours of compensatory time that can be accumulated by an employee is eighty (80) hours. Compensatory time may be used at a minimum of one (1) hour increments and at a maximum of a two (2) workweek increment (e.g., 80 hours for employees with a 40-hour workweek). Authorization of said time off must not disrupt operations as determined by the authorizing supervisor. Employees must request, in writing, compensatory time leave at least one (1) week in advance of the requested time off. Employees are required to utilize their accrued compensatory time by the end of the fiscal year in which the compensatory time was earned.

SECTION 4.06 PAYROLL PERIOD AND PAYDAY

POLICY

The pay period for the City of Collinsville is for two weeks, beginning at 12:00 AM Saturday, and ending on the second Saturday at 11:59:59 AM. City of Collinsville employees are paid bi-weekly and payday is on the following Friday. Department Heads are responsible for the recording of time worked by department employees and submitting time cards and time sheets to the Finance Department by 12:00 PM on the Monday preceding designated paydays.

Employees are encouraged to have their paychecks deposited directly into their bank accounts. Employees may use any bank, savings and loan or credit union that is a member of the Automated Clearing House and can accept electronic fund transfers.

Pay statements are provided for all employees electronically.

PROCEDURE

City Hall employees must use an authorized timesheet for the reporting of time worked. This timesheet is available on the City of Collinsville intranet website under the Finance – Shared Documents section. Employees must indicate pay period, name, department, regular hours worked, vacation, sick, holiday and other leaves of absence on the timesheet to ensure accurate recording and payment.

Each pay period begins on a Saturday and ends on a Friday. At the end of the pay period, each employee must sign the timesheet signifying that the time record is accurate and complete. Changes to the timesheet may be made only by the employee and must be initialed by both the employee and the supervisor, signifying that the change is correct and accurate. Employees must submit ORIGINAL timesheets with legible signatures in ink for the processing of payment.

All timesheets must be submitted to the supervisor for approval and then submitted to payroll for payment processing. If an employee feels that changes or alterations have been made in his/her timesheet or that the information entered is incorrect, he/she must notify the supervisor so that the matter can be handled quickly.

Timesheets must be submitted to supervisors by 5 PM on the Friday at the end of the pay period. Supervisors will submit approved timesheets to payroll by noon on the Monday following the end of a pay period.

Employees desiring to participate in direct deposit should request a direct deposit enrollment form from the Office of Human Resources or from the Payroll Department.

SECTION 4.07 PAYROLL DEDUCTIONS

POLICY

When an employee is hired by the City, he/she must submit to the City the following information:

- Social Security number;
- Documentation proving authorization to work legally in the United States;
- Information for pension deduction

Compulsory deductions currently include state and federal withholding, Medicare, Social Security and the Illinois Municipal Retirement Fund (for all employees working 1000 hours or more per year, except sworn Police personnel and Firefighters who contribute to their respective pension plans). The City also provides employees the opportunity to participate in several voluntary payroll deduction programs. Information on these programs may be obtained through Human Resources. All changes in any employee's status or address must be reported to Human Resources.

PROCEDURE

If an employee has questions about deductions made from their weekly salary, please contact the Finance Department. If a deduction has been taken in error, please report that concern to the Supervisor and the Finance Department. Any mistaken salary deduction will be remedied promptly. The City prohibits retaliation, in any form, against any employee who makes a complaint under this Policy or participates in the City's investigation of such a complaint. The City will reimburse the employee for any improper deductions and will take all appropriate corrective action to ensure that such deductions or conduct does not occur again.

GIFT BAN

In order to help avoid the appearance of impropriety or undue influence, City employees generally should not accept money, gifts, gratuities or anything of value from anyone in the course of employment with the City. Exceptions include gifts from co-workers for birthdays and holidays. In addition, City employees may accept items of nominal value from others such as tickets to sporting events, food items, meals that are part of a business meeting, gift baskets at holiday time and similar items of nominal value.

SECTION 5.02 STANDARDS OF CONDUCT

POLICY

Employees of the City of Collinsville are representatives of the City and are expected to conduct themselves in a manner that is a credit to the City.

SECTION 5.03 PERSONAL APPEARANCE AND WORK ATTIRE

POLICY

Each City employee is expected to dress appropriately according to the requirements of his/her position in order to promote a safe working environment and to project a professional image to the public, as well as fellow workers.

PROCEDURE

Without unduly restricting individual tastes, the following personal appearance guidelines should be followed:

- Shoes must provide safe, secure footing, and offer protection against hazards.
- Mustaches and beards must be clean, well-trimmed, and neat.
- Hairstyles and color are expected to be in good taste.
- Offensive body odor, excessive use of perfume, cologne, or aftershave lotion, and poor personal hygiene are not professionally acceptable.
- Jewelry should not be functionally restrictive, dangerous to job performance, or excessive.

In addition, particular departments may have other specific appearance rules or guidelines for employees in those departments. Employees should dress accordingly to represent the City in the most favorable and professional manner. All employees should wear clothing that is neat, clean, and appropriate. Those employees, who are required to wear uniforms, will continue to do so. Those should be complete, clean, and in good condition. For those employees in public view, who meet customers, attend meetings, or who have business appointments outside their department should dress according to the business needs for that occasion.

While the City provides the opportunity for attire that is more casual on designated days, there may be times when job functions, such as business meetings, dictate wearing business attire on a “casual day.” If an employee has a question regarding the appropriateness of the attire, he/she should check with his/her immediate Supervisor for guidance.

SECTION 5.04 MEDIA RELATIONS

POLICY

The City will respond to the news media in a timely and professional manner only through designated spokespersons.

PROCEDURE

City staff will not respond to inquiries from the media concerning matters such as personnel issues, crisis management, emergencies, City policies, or fiscal operations. Instead, such inquiries should immediately be directed to the Mayor or City Manager, who will respond accordingly. City staff may respond directly to media inquiries on ordinary, day-to-day matters. However, all inquiries should be reported immediately to the City Manager via email or phone.

SECTION 5.05 ATTENDANCE

POLICY

Excessive absenteeism, tardiness, or early departure may result in disciplinary action, up to and including immediate termination of employment.

PROCEDURE

“Excessive” shall be defined as those absences occurring more than two (2) times per month (i.e., two consecutive days absent from work would be considered as one (1) occurrence). Employees that will be late for, or absent from, work must notify their Supervisor within one (1) hour of their normal start time. Failure to give such notice of tardiness or absenteeism shall result in disciplinary action, up to and including discharge. During a scheduled workday, absence from the employee’s place of work must have prior approval of the Supervisor. Habitual lateness/tardiness shall result in disciplinary action, up to and including discharge.

If an employee is absent for three (3) or more work days without notifying his/her Supervisor and securing approval for the absence, the employee will be considered to have abandoned his/her job and voluntarily resigned. Employees must report an absence from work on the first day of the absence, unless physically impossible, to his/her Supervisor or Department Head. Failure to report absences will result in termination.

SECTION 5.06 HEALTH AND SAFETY PROGRAM

POLICY

The City of Collinsville provides a safe and healthy environment in which our employees, residents, visitors and customers can carry out their business.

SECTION 5.07 WORKPLACE VIOLENCE PREVENTION

POLICY

The City of Collinsville is concerned with, and committed to, employee safety and health. Violence in the workplace is an unacceptable practice. Department Heads and Supervisors will make every effort to prevent violent incidents from occurring by recommending practices and procedures for employees to follow through its Health and Safety Program.

All employees shall adhere to work practices that are designed to make the workplace secure, and to minimize verbal threats or physical actions which create a security hazard for others in the workplace. The City of Collinsville will not discriminate against victims of workplace violence. All employees, including Supervisors and Department Heads are responsible for using safe work practices, for following all directives, policies and procedures, and for assisting in maintaining a safe and secure work environment. Management is responsible for ensuring that all safety and health policies and procedures involving workplace security are clearly communicated to, and understood by, all employees.

PROCEDURE

Each employee should report any acts or threats of violence whether or not physical injury has occurred to his/her supervisor, the Office of Human Resources, or to the nearest member of management. Such reports will be promptly and thoroughly investigated. Each employee should notify his/her supervisor of any restraining orders against individuals that include the workplace.

All incidents and threats of workplace violence shall be reported in writing by the Supervisor within twenty-four (24) hours of their occurrence. Each report shall be evaluated by the City Manager who shall make recommendations on revising practices and/or procedures to prevent similar occurrences. The City shall maintain an accurate record of all workplace violence incidents in the Office of Human Resources. The City of Collinsville will seek aggressive prosecution of all acts of workplace violence that constitute offense(s) of the Criminal Code in the Illinois Compiled Statutes.

Department Heads shall be responsible for the assessment of employee and public vulnerability to workplace violence in City facilities, and recommend preventative action. Department Heads should work with Supervisors to determine the presence of hazards, conditions, operations, and other situations that might place workers at risk of occupational assault incidents.

The Office of Human Resources will contact the City Manager as soon as possible when made aware of a violent act or threat of violence. In addition, HR will provide training related to workplace violence for all employees.

SECTION 5.08 WEAPONS

POLICY

The City of Collinsville prohibits, forbids, and does not tolerate weapons on City property, or during any City-related business or activity. Weapons include visible and concealed weapons; including those for which the owner has necessary permits. Weapons may include, but are not limited to, firearms, knives with blades longer than four (4) inches, explosive materials or any other objects that could be used to harass, intimidate, or injure another individual, employee, or volunteer. This policy does not apply to sworn police officers carrying weapons pursuant to Police Department policy.

PROCEDURE

An employee with a valid Illinois Firearm Conceal Carry permit may have a concealed firearm in his/her own vehicle in a parking area and may store the firearm or ammunition concealed in a case within a locked vehicle or locked container out of plain view within the vehicle in the parking area.

SECTION 5.09 SMOKING

POLICY

In accordance with Illinois law, the City prohibits the smoking of any tobacco product throughout its facilities and within fifteen (15) feet of any door, window, or ventilation opening. This includes both traditional cigar and cigarette products as well as e-cigarettes. Employees are prohibited from using e-cigarettes or any form of tobacco product inside City building or City-owned vehicles.

PROCEDURE

Employees repeatedly violating this policy may be subject to appropriate action to correct any violation(s) and prevent future occurrences.

SECTION 5.10 DRUG AND ALCOHOL USE

POLICY

The City reserves the right to require any employee to submit to testing for the presence of illegal drugs and/or alcohol when the City has a reasonable suspicion that the employee has illegal drugs and/or alcohol in their system and after a job-related accident or injury. Tests for the presence of illegal drugs (but not alcohol) also may be conducted at any other time in the City's sole discretion.

Employees who are covered by Department of Transportation Drug and Alcohol Testing regulations are covered by a separate drug and alcohol-testing program that is consistent with the applicable Department of Transportation regulations.

Nothing contained herein alters the City's policy of encouraging an employee with a drug and/or alcohol problem to seek and receive treatment for the condition before it results in a situation where discipline is to be imposed. An employee cannot avoid discipline by requesting such assistance after he/she has violated this policy.

PROCEDURE

Reasonable suspicion may be based on factors such as slurred speech, irregular or unusual speech patterns, impaired judgment, alcohol odor on the employee's breath, lack of coordination, unusual behavior such as inattentiveness, listlessness, aggression, hyperactivity, etc.

Any employee who refuses to test when directed to do so or who interferes with testing will be subject to disciplinary action, up to and including immediate discharge. If the test results indicate the presence of alcohol or illegal drugs in an employee's system, the employee will be subject to disciplinary action, up to and including immediate discharged.

The City's commitment to a drug-free workplace includes the following:

- Employees are expected and required to report to work on time in an appropriate mental and physical condition to perform their job duties.
- Employees found to be illegally using, making, or transferring a controlled substance, cannabis, or alcohol while on the job will be subject to legal and disciplinary consequences. Additionally, the City may require an employee to participate in drug assistance or rehabilitation program that has been approved by the City.
- Employees needing assistance are encouraged to seek counseling. Conscientious and voluntary efforts to seek such help will not jeopardize any employee's job nor will it be noted in any personnel record. However, referral to any assistance program in no way exempts an employee from discipline for violating this policy or for otherwise less than acceptable job performance.

Under Illinois law and as a condition for continued employment with the City of Collinsville, each employee is required to inform the City of any conviction he/she receives under a criminal drug statute for violations occurring in the workplace or assigned worksite. A written report of such conviction must be made and submitted to the City within five (5) days after the conviction. A conviction means a finding of guilt or the imposition of a sentence by a judge or jury in any Federal or state court.

Within ten (10) days after receiving notice that an employee has been convicted of violating a criminal drug statute, the City is required to report the fact to any government agency with which the City has a contract.

Pre-Duty Regarding Alcohol

Employees are prohibited from consuming alcohol for four (4) hours before going on duty or before operating a commercial motor vehicle. This regulation is in conformance with Federal Highway Administration rules and applies to all scheduled shifts and callout situations. If an employee cannot meet this requirement, it is his/her responsibility to advise their Supervisor, or person initiating the callout, that they cannot report to work.

SECTION 5.11 USE OF CITY EQUIPMENT

POLICY

City-owned vehicles, equipment, tools, supplies, keys, and other such apparatus are provided by the City to enable employees to perform the duties and tasks required of them in a professional, efficient, and effective manner. Unauthorized and/or private use of City-owned property is prohibited except when such services are available to the public. Violations of this section may result in disciplinary action, discharge, legal action, and/or criminal liability.

PROCEDURE

Any damaged, malfunctioning, or lost items must be reported to the employee's Supervisor immediately in order that the necessary repairs may be made in accordance with established administrative procedures. Employees are responsible for damage or loss of City property and if found to be negligent, may be required to replace the item and/or face disciplinary action.

SECTION 5.12 MOBILE EQUIPMENT AND RELATED SERVICES

POLICY

The use of mobile phones, tablets, and similar devices, and related communication services by City employees in the course of their work is common. The City of Collinsville often provides these devices to employees to improve communication, productivity and work efficiency. City policies generally require City property to be used only for City business use. However, this policy recognizes that a portion of the use of Equipment/Services may be for non-business use, such as personal phone calls or emails.

As Internet service is a nearly ubiquitous household utility, similar to basic telephone service and electricity, the City does not provide reimbursement for home Internet connectivity. Employees who are required to have home Internet service to fulfill job requirements and for whom purchasing the service is a significant financial hardship may request an exception to this policy. Exceptions must be approved by the City Manager based on business necessity and demonstrated financial hardship.

PROCEDURE

Cellular telephones may be used for official use only and may only be used for minimal personal use. Employees are responsible for the care and maintenance of cellular telephones assigned to them. Any damaged, malfunctioning, or lost cellular telephones must be reported to the employee's Supervisor immediately in order that the necessary repairs or replacement may be made in accordance with

established administrative procedures. Employees are responsible for damage or loss of City-owned cellular telephones and if found to be negligent, may face disciplinary action. Employees are also required to comply with state and local regulations relative to the use of cellular telephones while driving a vehicle.

No employee may view or send an e-mail or text message while operating a City owned vehicle or while operating any vehicle while on City business.

The Department Head should evaluate the business necessity of an employee receiving city-paid mobile equipment and related services. Business necessity occurs when one of these factors is present:

- It is vital for the employee to be in constant touch with the office.
- The employee is responsible for emergency preparedness and must be available and on-call around-the-clock for a specific period.
- A group of employees has the need for group or shared Equipment/Services such as rotating on-call contact.
- The employee does not have access to a landline or other communication device when doing a substantial portion of his or her job and communication with the supervisor or other parties is required.
- The employee's job effectiveness will show a significant increase through the use of Equipment/Services.
- The Equipment/Services eliminate or reduce the need for the employee to go back and forth to the office, consistent with City goals to increase employee productivity.
- Provision of Equipment/Services is the most cost-effective way to meet the business communication requirements of the employee.
- The Equipment/Services are necessary to support an off-site office, which is the employee's principal office for their work.

SECTION 5.13 COMPUTER EQUIPMENT AND TELECOMMUNICATION SYSTEMS

POLICY

The City maintains for the benefit of its employees and their authorized agents, an extensive system of computer and telecommunication resources. City employees, officials, their agents, and all other authorized users are expected to use such equipment and resources in an efficient, effective, ethical, and lawful manner for legitimate and authorized City business. Users should not have an expectation of privacy in anything they create, store, send, or receive on the City's computer or telecommunications system.

The City has the right, but not the duty, to monitor any and all aspects of its computer system, including, but not limited to, monitoring sites visited by users on the Internet, monitoring chat groups and news groups, reviewing material downloaded or uploaded by employees, and reviewing electronic mail sent and received by users.

Under no circumstances is an employee of the City of Collinsville authorized to engage in any activity that is illegal under local, state, federal or international law while utilizing the City of Collinsville owned resources.

PROCEDURE

The City's computer and telecommunication resources include, but are not limited to host computers, file servers, application servers, mail servers, fax servers, communications servers, workstations, standalone-computers, laptops, software, and internal or external computer and communication networks. This also includes Electronic Data Interchange networks, Internet, commercial online services, bulletin board systems, and electronic mail (email) systems that are accessed directly or indirectly from the City's computer facilities.

Department Heads shall have the authority to request in writing that the Department of Operations implement monitoring activity for specific users and/or workstations and to provide related monitoring reports to the requesting Department Head.

The term "user" refers to all employees, officials, independent contractors, and other persons or entities authorized to access or use the City's computer and telecommunications system. Department Heads shall immediately notify the Department of Operations when an employee, who has had computer access, is leaving employment with the City.

The lists below are by no means exhaustive, but attempt to provide a framework for activities that fall into the category of unacceptable use.

The following activities are strictly prohibited, with no exceptions:

- Any sites that could be considered or construed in any light as illegal, sexist, racist, inappropriate, or otherwise violation of City policy should not be accessed by means of the City of Collinsville's computers.
- Users of the City of Collinsville's computer and telecommunications system components are responsible for their good operation condition and as such, willful destruction to said components is prohibited.
- Violations of the rights of any person or company protected by copyright, trade secret, patent or other intellectual property, or similar laws or regulations including, but not limited, the

installation or distribution of “pirated” or other software products that are not appropriately licensed for use by the City of Collinsville is prohibited.

- Unauthorized copying of copyrighted materials including, but not limited to, digitization and distribution of photographs from magazines, books or other copyrighted sources, copyrighted music, and the installation of any copyrighted software for which the City of Collinsville or the end user does not have an active license for is prohibited.

PROCEDURE

Employees may have minimal personal use of vehicle while conducting City business and may take the vehicle to their residence if authorized by the City Manager. Employees assigned to other governmental agencies will use their assigned vehicle in accordance with the rules and regulations of that agency. Under unusual circumstances, the City Manager may grant an employee permission to use a vehicle in contradiction of the terms of this Policy. The City Manager's vehicle use shall be addressed in the City Manager's contract. Authorized city vehicles driven home must be available for City business at all times. No passengers shall be transported in City vehicles other than those on City business, without the approval of the employee's Supervisor or the City Manager.

Use of City vehicles shall be subject to IRS withholding rules and regulations.

Authorized users are responsible for the care, conservation, and correct and safe usage of City vehicles. When using City-owned vehicles, authorized users shall make every effort to obey the laws of the City and the State, and will use every available precaution to safeguard the condition of the vehicle and the public. When not in use, City-owned vehicles and equipment shall be properly locked to avoid any theft or destruction. Smoking of all types is prohibited in all City vehicles.

Employees' Supervisors or the City Manager must be notified immediately of all damaged or lost property. If an authorized user experiences an accident, equipment loss, or damage to the vehicle derived from the negligence of the employee, he/she may face disciplinary action.

In the event an employee's license is suspended or revoked, the employee must immediately notify his/her supervisor or the City Manager. Failure to do so may result in disciplinary action. In using the City's vehicular equipment, authorized users should keep in mind that they are representatives of the City government and that their conduct, in adhering to the rules of safety and courtesy on the road, is a reflection on the entire organization and its level of law enforcement. It is imperative that authorized users abide by these rules and regulations at all times, as well as all state, City and other applicable laws and regulations.

All employees of the City must report to their Supervisor, any moving traffic violations or accidents in which they are involved while on duty, or while using City vehicles. SECTION 5.20 PROGRESSIVE DISCIPLINE

POLICY

Discipline refers to any oral and/or written reprimand, suspension without pay, demotion, or dismissal depending upon the seriousness of the situation and the incidence of prior violations.

Violation of City policies and rules may warrant disciplinary action as determined necessary by an employee's Supervisor. Forms of discipline that the City may elect to use include oral reprimands,

written reprimands, suspensions, reductions in pay, demotions, and/or terminations. The Supervisor, with the approval of the respective Department Head, may deviate from any order of progressive disciplinary actions and any of the following disciplinary action as deemed appropriate under the circumstances, up to and including immediate termination of employment. The City's policy for discipline does not limit or alter the at-will employment relationship between the City and the employee.

PROCEDURE

Discipline may include the following steps as considered appropriate to the infraction, but not necessarily in the following order:

Oral reprimand

An oral reprimand consists of a conference between the employee's Supervisor, or other City official issuing the reprimand, and the employee. The purpose of the conference is to express disapproval of misconduct or poor work performance, to clarify applicable rules or standards of performance, policies, and procedures, and/or to warn that repetition of the misconduct or failure to improve work performance may result in more severe discipline.

Written Reprimand

A written reprimand consists of a conference between the employee's Supervisor or other City official issuing the reprimand and the employee and a letter or notice expressing disapproval of the misconduct or poor work performance, clarifying applicable rules, policies or procedures, and warning that repetition of the misconduct or failure to improve work performance may result in more severe discipline.

The employee will be given an opportunity to review the written disciplinary letter or notice and to respond to it. The employee is required to sign the letter or notice, which means only that the employee has read the notice or letter and understands what it means, not that the employee necessarily agrees with the discipline. An employee will receive a copy of said notice. Copies of written reprimands shall be maintained in the employee's personnel file in the Office of Human Resources. Written reprimands may be used for repeated misconduct of a minor nature or for serious misconduct that does not warrant suspension, demotion, or dismissal.

Suspensions

Suspensions are a temporary removal from employment, accompanied by a concurrent temporary loss of the privileges of employment, including, but not limited to wages or salary. The employee's group health and life insurance coverage will remain in effect during the unpaid suspension. Suspensions may be used to discipline employees for serious misconduct or performance problems or for repeated misconduct or performance problems of a less severe nature.

Suspensions may be imposed for not less than one (1) but not more than five (5) days. Written notice of the suspension shall be placed in the employee's official personnel file.

Suspensions of full-time police officers and firefighters are subject to the rules and regulations of the Board of Fire and Police Commissioners and other applicable state law. Suspension of employees hired through the Civil Service Commission is subject to the Civil Service Commission rules and regulations and other applicable state law.

Employees may be suspended without pay by their Department Head. The Department Head shall give written notification of the suspension to the employee, specifying the reason, duration, and effective date. This notice may be given to the employee after the fact, as in the case of an immediate suspension.

Suspended employees shall not be allowed to use any paid leave including vacation leave, sick leave, personal leave, or compensatory time during suspension.

Demotion

A demotion is the reduction in grade or class of employment or assignment to a position of less responsibility, with a corresponding reduction in wage or salary. All demotions shall be in writing, and written notice of a demotion shall be placed in the employee's official personnel file. Demotion may be used to punish serious misconduct and may be used in addition to other forms of discipline, or may be voluntarily requested by the employee as allowed by state law.

Demotions must be approved by the City Manager.

Discharge (Termination)

Discharge, or termination of employment, is the permanent removal from employment with the corresponding permanent loss of all privileges of employment with the City.

An employee may be recommended for discharge by the Department Head, with approval of the City Manager for any reason not prohibited by law, or no reason, with or without notice. Employees may be discharged for any improper or inappropriate conduct including, but not limited to: violation of work rules and general rules and regulations; unacceptable behavior; insubordination; intentional damage to or theft of City property; gross negligence in performing assigned duties; violation of the City's drug and alcohol policy; misconduct; poor performance or unacceptable attendance without ever having received an oral reprimand, a written disciplinary notice or letter, a suspension, a reduction in pay, or a demotion.

Written documentation of the discharge shall be placed in the employee's official personnel file.

Discharges must be approved by the City Manager.

Appeals

An employee may appeal any disciplinary action imposed by his/her Department Head by following the grievance procedure.

SECTION 5.21 GRIEVANCE PROCEDURE

POLICY

The grievance procedure is open to any full-time or part-time employee who believes that the treatment he/she has received on the job is inequitable or unfair, disagrees with the interpretation, application or compliance of the provisions of this Personnel Policy Manual, the issues of pay, promotion, demotion, discipline, job operations, performance review, conduct of fellow workers, or supervision needs to be corrected. All grievances shall be settled only in accordance with the grievance procedures herein set forth. No employee shall be disciplined or discriminated against in any manner because of his/her proper use of the grievance procedure.

PROCEDURE

A grievance may be filed by following the steps outlined below:

Step 1

All grievances in the first instance shall be submitted within ten (10) working days of the incident in writing to the employee's immediate Supervisor, who shall discuss the matter with the employee in an attempt to arrive at a satisfactory settlement. The Supervisor shall decide the grievance and shall respond thereto in writing within ten (10) working days after the written grievance was submitted, exclusive of Saturdays, Sundays, and holidays. No grievance shall be honored if it is not filed within ten (10) working days of the alleged occurrence. If the Supervisor does not reply within ten (10) working days, or if the employee is dissatisfied with the response of the Supervisor, the next step may be initiated. If the employee's immediate Supervisor is a Department Head, the grievance must be initiated at Step 2.

Step 2

The employee shall submit a written grievance to the Department Head. The Department Head shall discuss the grievance with the employee and respond in writing within ten (10) working days, exclusive of Saturdays, Sundays, and holidays after receipt of the grievance. If the Department Head does not respond within ten (10) working days, it shall be considered a "Grievance Denied." If the Department Head does not respond to the written grievance or the employee is dissatisfied with the Department Head's decision, the employee may initiate Step 3.

Step 3

The employee shall submit a written grievance to the City Manager within ten (10) working days following the Department Head's response in Step 2. The City Manager shall attempt to adjust the grievance as soon as possible, but shall give his/her response in writing to the employee within ten (10) working days after receipt of the written grievance. The decision of the City Manager is final. If a written grievance is appealed to the City Manager, the City Manager, regardless of his/her final decision, shall inform the Mayor and the City Council regarding the circumstances of the matter at the earliest opportunity.

Collective bargaining unit members' grievances shall follow the steps outlined in their current collective bargaining agreement.

CHAPTER 6 ABSENCE FROM WORK

SECTION 6.01 DISABILITY LEAVE

POLICY

City of Collinsville employees are presently covered by any one of three separate pension and disability plans. The plans are the Illinois Municipal Retirement Fund (IMRF), the Police Pension Fund, and the Fire Pension Fund. General municipal, police and fire personnel are subject to the regulations governing disability benefits in each of their respective plans. Employees who are not participants in the pension plans are not eligible for disability benefits. Specific eligibility requirements for benefits are included in the individual plans.

PROCEDURE

In the event an employee becomes eligible for disability benefits provided by any of the above named plans, he/she can decide when the disability coverage should begin. Employees have the option to use all available sick and vacation time before receiving the disability benefit or receive the benefit at the time they become eligible. If the benefit begins prior to utilizing all of the employee's sick leave and vacation leave, accrual of these benefits will cease. Any unused sick and/or vacation leave will remain a credit to the employee and will be administered in accordance with City policy after the disability period is over.

Employees should contact their respective pension plan administrator for additional information.

SECTION 6.02 FAMILY AND MEDICAL LEAVE

POLICY

It is the policy of the City of Collinsville to comply with all provisions of the Family and Medical Leave Act (FMLA). This leave will provide eligible employees (defined as an employee who has been employed by the City for at least twelve (12) months and who has worked at least 1,250 hours during the 12-month period immediately preceding the date on which the employee's FMLA will begin) up to twelve (12) weeks of job protected unpaid leave of absence from work during a twelve (12) month period for the following family and medical reasons:

- To care for the employee's child and/or to bond with the child after birth, or placement for adoption or foster care; Foster care must be formal; State action is required.

- To care for the employee’s immediate family member who has a serious health condition. Family member is defined as spouse, child, (natural, adopted, foster, or stepchild), sister, brother, and parent (including natural, stepmother, stepfather, or legal guardian).
- If the employee has a qualifying exigency arising out of the fact that the employee’s spouse, parent, or child is a covered military member on active duty (or has been notified of a call or order to active duty) in support of a contingency operation.
- To care for a serious health condition that makes the employee unable to perform his/her job.
- To care for a covered service member (spouse, child, employee’s parent or next of kin) who is a current member of the Armed Forces, including a member of the National Guard or Reserves, or a member of the Armed Forces, the national Guard or reserves who is on the temporary disability retired list, who has a serious injury or illness in the line of duty on active duty for which he or she is undergoing medical treatment, recuperation or therapy, or otherwise in outpatient status, or otherwise on the temporary disability retired list. This type of leave is also available to care for a veteran of the Armed Forces (including the National Guard or Reserves) discharged within the five year period before the employee first takes leave to care for the veteran who is undergoing medical treatment recuperation, or therapy for a qualifying serious injury or illness. This is called “Military Caregiver Leave.”

PROCEDURE

An “Application for Family or Medical Leave” form is available in Human Resources and must be completed by the employee defining the reason for the leave, its duration, and the amount of vacation and sick leave they will use during the leave (if any). The request shall be submitted to the Supervisor, who, after recommending approval or denial, will forward the form to Human Resources for final approval.

The City may require certification, on a periodic basis, of the employee’s or family member’s continuing serious health condition by the employee’s or family member’s health care provider. If the City has reason to doubt the validity of a medical certification, the City may require that the employee obtain a second opinion from a health care provider chosen by the City at the City’s expense. If the first and second opinions differ, the City may require that the employer obtain a certification from a third health care provider at the City’s expense, with the third health care provider to be agreed upon jointly by the City and the employee.

In the event that an employee suffers serious illness or injury and becomes eligible for, and receives, disability benefits provided by his/her pension plan prior to utilizing all of his/her sick leave and vacation leave, and such injury or illness is not covered by Worker’s Compensation Insurance, City sick leave and vacation benefits will cease. The City requires employees to exhaust all available sick pay if the reason for the FMLA is the employee’s own serious health condition, followed by available vacation time while

on FMLA leave. If the employee is receiving pay from any source such as worker's compensation, etc., he will not be required to use other paid time off (such as sick pay or vacation pay) while off on FMLA. Any unused sick leave and/or vacation leave will remain as a credit to the employee and will be administered in accordance with City policy after the disability period is over.

Length of Leave

Leave for reasons other than Military Caregiver Leave is a maximum of twelve (12) weeks in a 12-month period. The twelve (12) month period is a rolling twelve (12) month period measured backward from the date leave is taken and continuous with each additional leave day taken. This means that, if an employee requests FMLA on June 1 of a particular year, the City will go back to June 2 of the prior year and any FMLA time taken between June 2 of the prior year and June 1 of the current year will be deducted from the total 12 weeks of available leave.

For Military Caregiver Leave only, the 26 weeks of leave an employee is eligible to take is measured forward from the first day of leave. If the reason for any employee's leave qualifies the employee for leave under the FMLA, the City reserves the right to designate the time off as FMLA leave, regardless of whether the employee desires the time off to be designated as FMLA leave. The Office of Human Resources is responsible for making such determination.

Employees on approved FMLA leave are required to use accrued sick leave, vacation leave, or personal leave time unless the leave time is covered by another source of pay such as worker's compensation. If the leave is for the employee's own serious health condition or that of a family member, sick pay must be used first followed by vacation pay. If the leave is not for the serious health condition of the employee or a family member (for example, for bonding with a child or for a qualifying exigency), paid time off (aside from sick pay) must be exhausted first and the leave can thereafter continue, if approved, on an unpaid basis. Employees shall not "accrue" sick leave while on Family Medical Leave, but will continue to "earn" vacation leave, updated upon his/her annual service anniversary date, as if he/she were not away from their job, in accordance with federal regulations.

During an employee's leave of absence for Family and Medical Leave, the employee's group health insurance and life insurance plan shall continue under the same conditions, as coverage would have been provided if the employee had continuously been employed during the leave period. Employees' contributions to premiums continue at the same level as if they were actively employed and an additional administrative fee may be charged as allowed by law. If there is a change in the employee's share of premium costs, the employee will be notified of the change and expected to pay the premium they would have paid had they not been on leave. The employee is responsible to submit his/her portion of the insurance premium along with an administration fee, if any, as authorized by the Act, to Human Resources by the first of each month. Employees, who have questions or desire clarification, should contact Human Resources.

Employees are expected to return to work upon expiration of an approved FMLA leave. An employee who does not return to work upon expiration of FMLA will be considered to have voluntarily resigned, unless the reason for the employee not returning to work upon expiration of an approved FMLA leave is that the employee's own serious health condition prevents the employee from returning to work and the employee has a disability as defined in the Americans with Disabilities Act. If this is the reason for the employee not being released to return to work upon expiration of an approved leave, the City will engage in the interactive process with the employee to determine if there are any reasonable accommodations that could be provided that would allow the employee to return to work. The interactive process is a discussion or series of discussions to determine if a reasonable accommodation exists that would allow the employee to return to work to his position or to another available position and a reasonable accommodation may also include another short period of non-FMLA leave.

SECTION 6.03 SCHOOL VISITATION RIGHTS ACT

POLICY

In accordance with 820 ILCS 147, Public Act 87-1240, the School Visitation Rights Act, the City of Collinsville will allow eligible employees unpaid leave of up to a total of eight (8) hours during any school year, no more than four (4) hours of which may be taken on any given day, to attend school conferences or classroom activities related to the employee's child if the conference or classroom activities cannot be scheduled during non-work hours.

PROCEDURE

No unpaid leave in accordance with this Act may be taken unless the employee has exhausted all vacation leave, personal leave, and/or compensatory leave. Sick leave and disability leave may not be applied to school visitation leave as described under this Act. Upon completion of school visitation rights by a parent or guardian, the school administrator shall provide the parent or guardian documentation of the school visitation. The parent or guardian shall submit such verification to the City. Failure of a parent or guardian to submit the verification statement from the school to the City within two (2) working days of the school visitation will subject the employee to the disciplinary procedures as outlined in this Manual for unexcused absences from work.

SECTION 6.04 FUNERAL LEAVE

POLICY

All full-time employees are provided with up to five (5) paid business days, as funeral leave to attend the funeral, or handle related matters, caused by the death of a member of his or her immediate family. For the purpose of this section, immediate family is defined as spouse, child, (natural, adopted, foster, or stepchild), sister, brother, parent (including natural, stepmother, stepfather, or legal guardian), mother-in-law, father-in-law, daughter-in-law, son-in-law, sister-in-law, brother-in-law, grandparent, or grandchild. The Department Head must approve all funeral leaves.

PROCEDURE

Employees shall be allowed up to three (3) days paid funeral leave in the event of a death of a family member other than the immediate family. The number of days of funeral leave allowed shall be at the discretion of the department head and shall be decided on a case-by-case basis, dependent upon the circumstances and the relationship of the family member to the employee.

Employees shall be allowed the option of using two (2) days of any other form of accrued leave (sick leave, vacation, personal day) to attend the funeral of anyone other than those family members defined in the section above. Any additional time off desired in conjunction with a funeral as defined by this section shall be considered vacation and shall be subject to the appropriate approvals.

SECTION 6.05 HOLIDAYS

The official schedule of observed holidays for the current fiscal year shall be available from Human Resources.

To be eligible for holiday pay, the employee must work the scheduled day before and after the holiday, with the following exceptions:

- If the day before and/or after is a normal day off from duty;
- If the employee is on an approved vacation leave or on an approved personal day before and/or after the holiday.

SECTION 6.06 JURY AND WITNESS DUTY

POLICY

Jury and witness duties are generally considered authorized absences from work and the employee will receive his/her regular base salary while performing these duties.

PROCEDURE

If an employee is required to serve for jury or witness duty, he/she must submit a copy of the summons to his/her supervisor. Because the employee will continue to be paid by the City, the employee will be required to turn over any remuneration received for performing jury service to the City's Finance Office.

SECTION 6.07 MILITARY DUTY LEAVE

The City complies with all applicable federal and state laws regarding time off for military duty. If an employee needs time off either for military training (including National Guard or reserve training) or is called to active military duty, let Human Resources know as soon as possible.

PROCEDURE

Any employee, whether or not he/she is a member of any active or reserve component of the Armed Services, the Illinois National Guard, or the Illinois Naval Militia, shall be allowed military leave from employment with City of Collinsville for any period actively spent in military service including basic training and special or advanced training, whether or not within the State of Illinois, and whether or not voluntary. Such leave shall be granted for a cumulative period of service of no longer than five years, except as otherwise required by law.

Employees on approved military leave may use accrued vacation, personal, or compensatory time during their military leave, but are not required to do so. Employees on approved military leave, to the extent they were eligible prior to the leave, shall continue to earn vacation leave time, sick leave time, and personal leave time, be provided the opportunity to continue in the City's group health and dental plans, continue participation in any applicable pension plan, and shall receive holiday pay and any other benefits as may be entitled by law. If the employee does not choose to continue the City's group health insurance during the leave, he/she shall be permitted immediate reinstatement into the group health plan when the employee returns from military service. Military leave shall be granted without loss of seniority or other previously accrued benefits, and in accordance with the Illinois Public Employee Armed Services Rights Act, the federal Uniformed Services Employment and Re-employment Rights Act, and all other applicable federal and state laws.

Whenever possible, employees must provide advanced notice (preferably written) of their departure for military service to the Human Resources Office. This notice may also be provided by an appropriate officer of the branch of the military in which the employee will be serving. The employee need not give notice, however, if he or she is prevented by military necessity, or if it is otherwise unreasonable or impossible to do so.

Employees who are members of the reserves (including the National Guard) shall be granted leave for any period actively spent in military service, including: (1) Basic Training; (2) Special or advanced training, whether or not within the State, and whether or not voluntary; and (3) Annual training. For part time employees, leave for training shall be treated as set forth in the general provisions section above.

For full time employees in the reserves, during leaves for training the employee's seniority and other benefits shall continue to accrue. In addition, full-time employees shall receive the following:

1. During leaves for annual training, the employee shall continue to receive his or her regular compensation
2. During leaves for basic training or for special or advanced training, if the employee's compensation for military activities is less than his or her compensation as a City employee, he or she shall receive his or her regular City compensation minus the amount of his or her base pay for military activities.

Employees in the reserves (including the national guard) who are mobilized to active military duty by presidential order shall receive continuing compensation (minus the amount of the employee's base military pay) for the entire period of active military service; and continuing health insurance and other benefits the employee was receiving or accruing at the time the employee was called to duty.

Such employees, upon being called to active duty, must choose one of the following procedures for payment:

1. The employee may submit and assign military earnings to the City of Collinsville. In the case of assignment of military earnings, the Human Resources Office shall return the military earnings to the payroll fund from which the employee's payroll check is drawn. Military earnings must be submitted to the Human Resources Office at least one (1) week preceding each designated payday. If the employee's compensation for military activities is less than his/her compensation as a City employee, he/she shall receive his/her regular compensation as a City employee, minus the amount of his/her base pay for military activities. If the military pay exceeds the employee's regular earnings, the City shall return the difference to the employee; or
2. The employee may submit certification of his/her military earnings (from his/her commanding officer or department of his/her military unit) to the City of Collinsville. Certification of military earnings must be submitted at least one (1) week prior to the first designated payday, and anytime thereafter that the rate of military pay changes. If the employee's compensation for military activities is less than his/her compensation as a City employee, he/she shall receive his/her regular compensation as a City employee, minus the amount of his/her base pay for military activities.

Employees returning to work following military service shall notify the City of their intent to return. Employees who have been engaged in military duty and wish to return to work must apply for reinstatement for employment with the City within 14 days following service completion. For commitments beyond 180 days, the employee has up to 90 days following completion of service. If, due to no fault of the employee, timely reporting back to work would be impossible or unreasonable, the employee must report back to work as soon as possible unless otherwise provided for by law. Failure to comply with the above stated time periods for reinstatement may be grounds for the denial of reinstatement and/or discipline, including termination.

SECTION 6.08 PERSONAL LEAVE

POLICY

The City of Collinsville shall grant one (1) day personal leave per year after the first six months of continuous employment without deduction from regular compensation, upon approval by the department head or his/her designee. Such leave shall not be accumulated.

SECTION 6.09 SICK LEAVE

POLICY

Full-time employees and appointed officials of the City of Collinsville shall receive regular pay during unavoidable absence from work due to sickness or accident, at the rate of one and one-half working day for each calendar month of employment.

PROCEDURE

Any unused days so allowable during said anniversary year can be accumulated in succeeding years until an employee has accumulated a total of sixty (60) days of sick leave, except that no such allowance shall be made for any period during which pension payments are made.

Employees will be paid for one-half of the number of days of unused sick leave accumulated over the maximum sixty (60) days allowable. Payment is to be made in the last quarter of the fiscal year at the discretion of the Finance Director dependent upon workload. No employee will be entitled to more than nine (9) days in any one fiscal year.

An employee absent because of illness to himself/herself or absent because said employee has been exposed to contagious disease should contact his/her department head within (1) hour of his/her start

time on the first morning of absence, but in no case should contact his department head later than 12:00 p.m.

If an employee uses two (2) consecutive sick leave days, the City reserves the right to have that absence confirmed by a medical doctor or other health practitioner. Sick leave claimed proceeding or following any scheduled days off, including vacations or funeral leave, must be accompanied by a doctor's certificate. No employee can be paid sick leave unless such employee abides by these rules.

If the head of a department shall determine the employee has charged an absence against sick leave pay although no actual sickness to the employee has occurred, said department head may deduct the value of the absent time from employee's wages or salary and take such disciplinary action as he deems proper.

Sick leave benefits for employees covered by any approved collective bargaining agreement shall be as set forth in such agreements.

SECTION 6.10 VACATIONS

POLICY

Full-time employees are eligible for vacation benefits as shown below. Vacation benefits for employees governed by an approved collective bargaining agreement or any employment agreement for an appointed official shall be as set forth in such agreements.

Vacation allowances shall be earned on the employee's anniversary date and based on completed years of continuous service as follows:

Years of Full-Time Service	Vacation Days (40 Hour Employees)
After 6 months	1 week
1st Anniversary	1 additional week
2nd to 4th Anniversary	2 weeks
5th to 9th Anniversary	3 weeks
10th to 19th Anniversary	4 weeks
20th Anniversary and up	5 weeks

PROCEDURE

Vacation leave time away from work will be considered as service time earned and will not affect seniority. Holidays observed during a vacation leave period shall not be charged against vacation leave. Any regular employee hired must have a minimum of six (6) months service in order to qualify for vacation pay.

Employees shall be awarded one-week vacation upon completion of the first 6 months of service. Another week shall be awarded upon the employee's first anniversary. The employee shall have until his second anniversary to use this vacation. All other vacation awarded shall be used prior to the employee's anniversary date, except as approved by the City Manager.

An employee who terminates will receive prorated vacation pay for all accrued vacation. An unused portion of sick leave and vacation time will be paid to the employee at the time of retirement or to beneficiary in the event of an employee's death.

Employees are encouraged to use available vacation for rest, relaxation, and personal pursuit. If an employee is unable to use all earned vacation time in any given benefit year, he/she has the option to carry over up to one (1) week (forty (40) hours) of vacation into the next benefit year. Upon each employee's anniversary date, any hours over forty (40) of unused vacation WILL BE LOST.

Employees are not permitted the choice of working for extra pay instead of taking their vacations.

SECTION 6.11 WEATHER-RELATED LEAVE

POLICY

In instances of weather-related absences, the City Manager, in consultation with Department Heads, shall determine if non-emergency employees will be excused from work with pay due to extreme weather conditions.

PROCEDURE

If an employee is unable to travel to their work facility due to extreme weather conditions, the employee will be excused but unpaid. Non-emergency employees may use vacation, personal days, or compensatory time (if applicable) in such instances. Non-emergency employees released from work before the end of their work shift, shall be excused, and paid for the remaining time not worked due to extreme weather conditions. The respective Department Head shall determine whether policies for emergency-related employees in the Fire Department, Police Department, Street Department, Water Department, and Wastewater Department.

CHAPTER 7 SEPARATION

SECTION 7.01 DEFINITIONS

POLICY

Separation from employment with the City of Collinsville may be accomplished by discharge, layoff, resignation, and retirement, as hereinafter defined:

Discharge

Involuntary termination initiated by the City. Discharge or termination of employment is the permanent removal from employment with the corresponding permanent loss of all privileges of employment with the City.

Layoff

Involuntary separation initiated by the City due to the elimination of certain positions or a reduction in payroll because of changing and unforeseen circumstances.

Resignation

Voluntary separation initiated by the employee.

Retirement

Voluntary separation in accordance with provisions of the Illinois Municipal Retirement Fund, Fire Pension Retirement Plan, or Police Pension Retirement Plan.

SECTION 7.02 DISCHARGE

POLICY

An employee may be discharged by the Department Head, with approval of the City Manager for any reason not prohibited by law, or no reason, with or without notice. Employees may be discharged for any improper or inappropriate conduct including, but not limited to, violation of work rules, violation of general rules and regulations, violation of standards of conduct, unacceptable behavior, insubordination, intentional damage to, or theft of, City property, gross negligence in performing assigned duties, intoxication in the workplace, misconduct, poor performance, or unacceptable attendance, without ever having received an oral reprimand, a written disciplinary notice or letter, a suspension, a reduction in pay, or a demotion.

Any discharge of full-time police officers and firefighters are subject to the rules and regulations of the Board of Fire and Police Commissioners. Any discharge of Civil Service Commission employees are subject to the rules and regulations of the Board of Civil Service Commissioners.

PROCEDURE

Employees of the City who are to be discharged shall be paid for all unused and accrued vacation leave at the time of termination. Unused vacation leave shall be determined as of the employee's last anniversary date that was prior to the date of discharge on a pro-rata basis determined by length of service. Full-time, hourly employees shall be paid for any unused compensatory time in accordance with FLSA regulations at the time of termination.

SECTION 7.03 LAYOFF

POLICY

If the City finds it necessary to release an employee from his/her duties due to a lack of work and/or a reduction in the work force, the employee shall be given advance notice of ten (10) working days for non-supervisory personnel and twenty (20) working days for Supervisory personnel.

SECTION 7.04 RESIGNATION

POLICY

An employee who resigns from the City is expected to provide advance notice of resignation (ten (10) working days for non-supervisory personnel and twenty (20) working days for Supervisory personnel) to the employee's Supervisor.

In the case of Department Heads and Supervisors, advance notice of thirty (30) working days shall be made to the City Manager.

PROCEDURE

The employee shall be entitled to compensation for any unused vacation leave. Unused vacation leave shall be determined as of the employee's last anniversary date on a pro-rated basis determined by length of service. Full-time, hourly employees shall be paid for any unused compensatory time in accordance with FLSA regulations. Employees not covered by a collective bargaining agreement shall be paid for any unused sick leave as part of their voluntary separation provided the employee has vested in

the IMRF fund or the Police or Fire Pension Fund and leaves the contributions to that fund until they elect to receive pension benefits.

The employee's final paycheck (including any unused vacation and applicable compensatory time) shall be issued on the first normal pay date after resignation. The Department Head shall notify Human Resources of the resignation and any remaining hours to be paid to the employee and shall forward the original timesheet(s) of the resigning employee to the Human Resources Office for verification and placement in the employee's official personnel file, as soon as possible.

An employee who resigns in good standing may be eligible for re-employment at a future time, provided an opening is available and his/her qualifications for that position are satisfactory. If re-employed or re-appointed, the employee starts as a new employee insofar as continuous service, accumulated sick leave, and benefits are concerned. If an employee is re-employed later, after five (5) years of re-employment, past service credit years may be "bridged" or added to recognize previous and current service years for purposes of vacation leave. For example, if an employee worked for the City for ten (10) years, resigned in good standing, and later became re-employed by the City for five (5) years, they would receive vacation leave for fifteen (15) years of service.

CHAPTER 8 BENEFITS

SECTION 8.01 DEFERRED COMPENSATION PLAN

POLICY

The City offers several governmental approved 457 Deferred Compensation Plans. These are voluntary programs and do not have an employer contribution. These plans allow employees to earn and invest money now, and pay taxes on it later. The employee's contribution is automatically deducted from his/her paycheck and applied to an account according to the employee's instructions.

SECTION 8.02 EMPLOYEE ASSISTANCE PROGRAM

POLICY

The City provides an Employee Assistance Program (EAP) for all employees and their immediate family. Employee services available through the EAP include counseling regarding a broad range of issues such as parenting concerns, marital and family stress, emotional stress, personal problems, alcohol and drug abuse, and financial or legal problems.

PROCEDURE

Supervisors may refer employees to the EAP or employees may choose to contact the EAP at any time. EAP services are provided by the City as a benefit for employees and their immediate family members at no charge. Use of the Employee Assistance Program is confidential.

The EAP is not an avenue of internal reporting. Employees with complaints of workplace wrongdoing including, but not limited to harassment, discrimination, retaliation, internal theft, fraud, substance abuse on the job, violence or threats of violence, workers' compensation fraud, etc., should immediately report such instances to their immediate Supervisor and/or Department Head.

Detailed information on the City's Employee Assistance Program may be obtained from Human Resources.

SECTION 8.03 GROUP HEALTH INSURANCE

POLICY

All regular full-time employees may participate in the comprehensive group health insurance plan provided by the City.

PROCEDURE

Each new employee will receive a complete description of each plan offered by the City in the “New Employee Orientation” packet available through the Office of Human Resources. Part-time, temporary, and seasonal employees are not eligible for health insurance coverage.

The current health insurance coverage includes medical, hospitalization, dental, and vision care. Coverage is available for employees and dependents. The City currently pays the full premium for employee health insurance coverage and 75% of the cost of dependent health insurance coverage. The City also pays the premium for dental insurance coverage for those employees not covered by a collective bargaining agreement. Those employees covered by a collective bargaining agreement may elect to participate in the dental insurance program at their own cost. Employees may contact Human Resources for more information regarding rates.

SECTION 8.04 GROUP LIFE INSURANCE

POLICY

The City currently provides all full-time employees with group life insurance coverage.

PROCEDURE

The City provides \$55,000 in insurance to all Department Heads and non-union employees with salaries in excess of \$35,000 per year. The City provides \$35,000 in insurance to non-union employees earning less than \$35,000 per year. Employees covered by collective bargaining agreements are provided varying amounts as stated in their collective bargaining agreements. This coverage ends when employment with the City ends. Employees who retiree may elect to continue the life insurance at their own cost. Contact the Office of Human Resources for specific information regarding life insurance coverage. Life insurance benefits in excess of \$50,000 shall be subject to withholding taxes per IRS guidelines.

SECTION 8.05 PENSION

POLICY

All full-time employees of the City participate in a pension plan.

PROCEDURE

All employees, except sworn police officers and firefighters, who are expected to work 1000 hours or more in a year are required to contribute to the Illinois Municipal Retirement Fund (IMRF), a statewide pension fund. Participation costs are collected through payroll deductions. The amount contributed is determined by State statutes. In addition, the City contributes an amount on behalf of each participating employee in accordance with State statutes. Employee contributions are tax deferred.

Participation in these pension programs is subject to the rules and regulations of the fund. The City of Collinsville Fire and Police Pension Boards manage the funds in accordance with Illinois law.

SECTION 8.06 RETIREMENT BENEFITS

POLICY

Employees who have maintained continuous full-time employment with the City may continue participation in the existing group health and dental insurance programs upon simultaneous application for retirement or for permanent disability.

Sick pay benefits are available upon retirement if an employee has maintained continuous full-time employment with the City and has accumulated sick days.

PROCEDURE

If an employee chooses to continue the insurance upon retirement, the City will contribute an amount per month equal to the highest amount currently being provided in a City collective bargaining agreement at the time of retirement toward the retiree's premiums as long as the retiree remains on the City's insurance plan. Retiree benefits for employees governed by an approved collective bargaining agreement or any employment agreement for an appointed official shall be as set forth in such agreements.

The City will pay retiring employees for earned sick leave up to a maximum of four hundred eighty (480) hours (sixty (60) earned sick days). Payment for up to four hundred eighty (480) earned sick leave hours

shall be made in one (1) lump sum payment on the next available payroll after the employee's last day of work. The employee's termination date shall be the last day worked. The employee's health and dental insurance shall end at the end of the month in which the termination date falls, at which time the employee may begin paying the full premium(s) if continued coverage is desired.

Employees not covered by a collective bargaining agreement shall be paid for any unused sick leave as part of their separation pay for non-terminable separations provided the employee has vested in IMRF or in the Police or Fire Pension Fund and leaves the contributions to that fund until they elect to receive pension benefits.

SECTION 8.07 WORKER'S COMPENSATION INSURANCE

POLICY

The City shall provide workers' compensation benefits in accordance with Illinois Compiled Statutes. The City will pay for all necessary first aid, medical, and surgical services reasonably required to cure or relieve the effect of any accidental injury or disablement suffered by an employee arising out of, or in the course of, employment with the City. However, Illinois law provides that in order to protect their eligibility for such benefits, employees are required to report their on-the-job injuries within forty-five (45) days of occurrence.

PROCEDURE

Employees may, at any time, secure their own physician, surgeon, and hospital services for work-related injuries. The City, through its workers' compensation administrator, reserves the right to have another doctor of its choice also examine the employee as deemed necessary.

Employees injured on the job shall receive all benefits as provided in the Illinois Compiled Statutes. If a Police Officer or Firefighter is disabled for a period that is longer than that provided by statute, benefits shall then be coordinated with the City's insurance carrier.

The Illinois Workers' Compensation Commission is responsible for administering the law, providing information, assisting employees and employers, and resolving any disputes regarding employees' entitlement to benefits and the amount of benefits. Medical care, temporary total disability, permanent disability, disfigurement, and death benefits are provided to employees in accordance with the regulations of the Workers' Compensation System in Illinois. Detailed information regarding the rights and obligations of employees under the Illinois Workers' Compensation Act may be obtained from Human Resources or from the Illinois Workers' Compensation Commission.

SECTION 8.08 VOLUNTARY SICK BANK PROGRAM

POLICY

The City of Collinsville Sick Leave (Bank) Donation Program is intended for alleviating the hardship caused when employees lose compensation as the result of a catastrophic illness or injury. This program provides additional paid leave to employees who have exhausted accrued leave. The Sick Leave Donation Program does not alter, amend, or change the Sick Leave Policy for the City of Collinsville and is in no way meant to establish any precedent under the Sick Leave Policy.

SECTION 8.09 PROFESSIONAL MEMBERSHIPS

POLICY

The City encourages qualified employees to become members of professional organizations and associations, which are directly related to the employee's position with the City.

PROCEDURE

The City, subject to approval by the Department Head, will pay annual membership fees as well as the costs associated with attendance at annual conferences and periodic luncheons. These payments will be subject to the amounts approved in the annual budget for this purpose.

SECTION 8.10 TUITION REIMBURSEMENT PROGRAM

POLICY

The Tuition Reimbursement Program is designed to provide financial assistance to Collinsville employees that do not have the opportunity afforded through a collective bargaining agreement. The objective of this program is to allow employees to further their education while working for the City and fulfill their personal and professional goals, embracing an attitude of lifetime learning, and enabling them to become a provider of superior service.

PROCEDURE

Only active, full-time permanent employees of the City of Collinsville are eligible for the Tuition Reimbursement Benefit. Eligible employees must pass their probationary period before applying for this benefit and must be actively employed at the time of course completion. Prior to the course enrollment, the employee's department head must pre-approve the course chosen. If the course is an elective, or

part of a degree plan, the employee must provide the degree plan. Failure to comply with these prerequisites will result in denial of tuition reimbursement.

SECTION 8.11 UNIFORM AND CLOTHING ALLOWANCE

POLICY

Uniforms, uniform allowance, or clothing allowance may be furnished to certain City employees. Such uniforms must be kept clean, neat, and in good condition, and must be worn while performing duties for the City.

PROCEDURE

At the time of separation from employment with the City, employees must return rented uniforms in good condition.

No advanced payments shall be made for uniforms and/or clothing. Reimbursement shall be made only after authorized purchases are made and receipts are submitted with an expense voucher. Uniform or clothing allowance shall be subject to withholding taxes per IRS regulations.

CHAPTER 9 MISCELLANEOUS

SECTION 9.01 EMPLOYEE IDENTIFICATION

POLICY

All City employees, as representatives of the City of Collinsville, shall be furnished photo identification cards.

PROCEDURE

All costs for identification cards issued to an employee shall be borne by the City. Identification cards shall only be used in the course of conducting official business for the City. Identification cards may be obtained in the Office of Human Resources.

SECTION 9.02 TRAINING AND CAREER DEVELOPMENT

POLICY

The City is committed to providing and supporting employee training, career development, and recognizes that attendance at and participation in seminars, conferences, workshops, and conventions is a valuable method for updating job knowledge, skills, and abilities.

PROCEDURE

Requests by employees to attend such training should be submitted through their immediate Supervisor for review and approval. Outside training programs must be approved by the employee's Department Head in advance of the commitment.

SECTION 9.03 TRAVEL REGULATIONS AND REIMBURSEMENTS

POLICY

The City's goals are to allow travel arrangements that (1) demonstrate good stewardship of public funds, (2) provide equitable treatment of all personnel, and (3) allow travel in a manner that is dignified and reflects credit on the City of Collinsville. These regulations are applicable for all travel expenses incurred on behalf of the City by employees, elected officials, and board or commission members. Where these regulations do not adequately cover a travel situation, the City Manager may authorize exceptions.

PROCEDURE

No personal expenses will be reimbursed by the City. There is no objection to a spouse and/or other family members traveling on an official trip, but no expenses directly attributable to them will be reimbursed by the City.

A travel advance, in an amount not to exceed 80% of estimated out-of-pocket expenses for the trip, may be secured by use of the Travel Advance Request Form. The form should be approved by the Department Head and submitted to the Finance Department no later than two weeks prior to the date of the trip. An advance will be made in the form of a check.

Within two weeks after returning from a trip, a Travel Expense Report must be completed by the traveler, approved by his/her Department Head, and forwarded to the Finance Department along with any unused portion of the travel advance. Required receipts should be attached to the travel expense report. If the purpose of travel is for a conference, seminar, or other training program, an agenda should also be attached. If actual expenses exceed the travel advance, the excess amount will be reimbursed in the form of a check.

Commercial carrier fares will be limited to "coach" or "economy" fares when such services are available. Travel to and from stations and airports may be by bus, limousine, taxi, or private vehicle (for which mileage will be paid), whichever is least costly. When possible, travel arrangements should be made with a City credit card or billed directly to the City. Receipts for transportation costs will be required. City owned vehicles are used for travel when available. Private vehicles may be used for travel on City business. Reimbursement will be based on the standard mileage rate (as determined by the IRS) plus tolls and parking charges.

When two or more people travel in the same private vehicle, reimbursement will be paid to the owner of the vehicle. Mileage reimbursement will be based on the actual number of miles driven while traveling on City business.

Employees should not drive to meetings and conferences when the travel time in route to the destination requires more than one day. In such instances, no reimbursement will be made for any lodging, meals or other expenses incurred in route, unless prior approval is received from the City Manager.

There may be an occasion when rental of a vehicle may be appropriate (i.e. great distance between hotel and conference sites, or a group of City employees/officials traveling together). "Good Judgment" is encouraged when determining the need for a rental. The actual cost will be reimbursed and receipts will be required.

Rental car expenses will be authorized when it is less expensive than the use of a private vehicle.

Hotel or motel reservations should be made well in advance to ensure that lodging is secured at moderate rates. Receipts for lodging will be required. Reimbursement of lodging will be limited to the minimum number of nights required to conduct City business. For example, if a conference opens on Sunday evening and closes Thursday, reimbursement for Sunday through Wednesday night would be allowed. If the traveler chooses to arrive earlier or stay later, the additional lodging and other expenses related to this decision are personal expenses and will not be reimbursed. There may be instances in which significant savings in travel expenses may be achieved by taking advantage of discount fares requiring an additional night's stay. Prior authorization by the Department Director will be required to utilize this arrangement.

No lodging expense will be reimbursed for meetings or conferences held in the St. Louis area unless prior approval is obtained from the City Manager.

Per Diem is the allowance for meals and incidental expenses (gratuities, personal telephone calls, baggage storage, etc.) The General Services Administration (GSA) establishes per diem rates for destinations within the Continental United States (CONUS). Employees authorized to travel overnight will be approved for a travel per diem at the meals and incidental expense rate as determined by the GSA. An employee need not collect or submit receipts to justify meal expenses and may receive an appropriate advance toward this per diem. Not all travel expenses included in the per diem should be charged to a City issued credit card.

The per diem amount for a travel destination may be determined by consulting the GSA website (www.gsa.gov) or the Finance Department. Please note that per diem rates are updated annually on October 1.

Employees shall be paid one-half of the daily per diem amount for the day they leave on a trip if they leave after 1:00 p.m. or the day they return from a trip if they return prior to 5:00 p.m.

If the City is paying for any of the traveler's meals as part of the registration fee, hotel reservation or overall package for the trip, a deduction shall be made in the daily per diem. The deduction will be at the rate determined by the GSA in the meals and incidental expense breakdown.

Per Diem does not apply to local travel. Employees may be reimbursed for reasonable cost of meals at the discretion of the Department Director when attendance at meetings, seminars, conferences, etc. does not require overnight travel. Itemized receipts must be provided. Reimbursement will be made in the form of a check or from petty cash, if available.

Only the following individuals have authority to make entertainment expenditures: the City Manager, department directors, and elected officials. All others must have prior approval from the City Manager. The amount expended for entertainment must be reasonable and the purpose must be well defined and in the City's interest. The City will reimburse employees for actual expenditures related to entertainment only when receipts and documentation (including names and titles of individuals present) are submitted to the Finance Department.

When possible, registration fees should be paid with a City credit card or billed directly to the City. Registration and tuition fees for pre-approved professional meetings, seminars, and conferences will be reimbursed if not prepaid by the City. Receipts will be required.

SECTION 9.04 LITIGATION INVOLVING CITY EMPLOYEES

POLICY

Any employee of the City who receives any summons, notice, or complaint alleging any claim or cause of action arising as a result of the performance of official duties as an employee of the City shall immediately notify his/her immediate supervisor and Department Head and furnish to him/her a copy of said summons, notice, or complaint who shall thereafter forward said materials to the City Manager.

PROCEDURE

The City Manager shall thereafter forward said summons, notice, or complaint to the City's insurance carrier. The City's insurance carrier shall make a determination whether it will undertake the defense of the employee and provide coverage for any damages resulting from the claim or cause of action under the terms of the City's policy. If the City's insurance carrier determines that the alleged claim or cause of action does not result in a circumstance included in the City's coverage, then the City Manager shall determine whether the claim or cause of the action did in fact arise as the result of the legitimate and reasonable performance of official duties. If the City Manager's determination is affirmative and, with the consent of the employee, the City of Collinsville shall undertake the defense of said claim or cause of action at City expense, and in the further event that a judgment is entered against said employee in the cause of action, the City of Collinsville shall indemnify the employee from any portion of the judgment not satisfied by the City's insurance carrier.
